

# ONE HUNDRED HEROES of EHAP?

***We need YOU!*** Our organization provides much needed help to the most vulnerable in our community but we would not be here without the support of caring and compassionate people like you.

One hundred percent of our funding comes from private donations and allows us to maintain an office in downtown Freehold where we provide assistance to men, women and families needing help with housing, medical care, job applications and more.

We also operate the emergency winter hospitality program housing a dozen men every night from December through the end of March.

## ***So, what are the ONE HUNDRED HEROES OF EHAP?***

We're looking for some heroes. In the dictionary a hero is defined as, "A person admired for achievements and noble qualities." For EHAP and our clients, our heroes provide the much needed financial support that allows us to operate.

## ***How can I be a HERO?***

We are looking for one hundred donors willing to commit to an annual donation of at least \$250 for five years. By becoming one of the HUNDRED HEROS OF EHAP you will be ensuring our future and supporting our commitment to help the most vulnerable in the Greater Freehold Area.
